INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents Washington, D.C. 20231

November 26, 2001

Sir:

Pursuant to M.P.E.P. §609 and 37 C.F.R. §§1.56, 1.97-1.99, Applicant herewith submits form PTO-1449 which lists references of which the Applicant is aware. Copies of the references are included herewith. Applicant, however, has not enclosed copies of the references cited in the previously submitted International Search Report (ISR) and International Preliminary Examination Report (IPER). All of the references cited therein were category "A" references. Category "A" references merely describe the general state of the art and are are not considered to be of particular relevance. Applicant will, however, obtain and submit any reference listed in the ISR and IPER specifically requested by the Examiner.

This submission does not represent that a search has been made or that no better art exists. While the term "references" is used in citing the U.S. patents called to the Examiner's attention herein, Applicant does not make any admission that each or all of them are "prior art" references within the meaning of the statutory and case law.

Applicant reserves the right to contend, where appropriate, that a patent asserted against any claim of the present application is not prior art under the facts and the law.

Applicant also reserves the right to present appropriate arguments and or evidence to establish patentability over the references, should one or more of the references be applied against the claims of the present application.

Applicant requests that the Examiner independently determine those items which the Examiner would consider the most pertinent of all the references cited herein.

This Information Disclosure Statement is filed within three (3) months of the filing date of the application and before the mailing date of a first Office Action on the merits. Accordingly, this document complies with the requirements of 37 C.F.R. Section 1.97(b), and no fee is required. If, on the other hand, it is determined that a fee is due or that any overpayment has been made, it is requested that the sum be charged or credited to Deposit Account No. 50-0217.

It is respectfully requested that the references cited in the accompanying PTO-1449 Form be considered and made of record.

Respectfully submitted,

ROBERTS & MERCANTI, L.L.P.
